

# THE NAME TAG GAME

## SETTING UP

Cut out the name tags below and tape one name to the back of each player. Players should not be told what it says on their name tag. You might need to photocopy this page if you have a larger group.

## HOW TO PLAY

The object of the game is for players to try to figure out which book character they've been assigned by going around the room and talking to one another. Each player can ask Yes or No questions to figure out who they are. (For example, "Am I best friends with Greg?") When a player discovers who they are, they can step out of the game. The goal is not to be the last person remaining.
